A deposit of € 5.00 is charged per key-card, which will be refunded when the undamaged key-card is returned.

Payment systems

Payment by debit card and credit card possible.

Lost ski passes up to 1 day will not be replaced. For lost or damaged ski passes with a validity period of at least two days, a new ski pass can be issued for a processing fee of 12 euros (plus a deposit of 5 euros).

Refund

In the event of accident or illness, refunds will be made from the day on which the ski pass is deposited at the point of sale and only on presentation of the purchase receipt - no refunds for accompanying persons. Refunds can only be processed at the point of sale where the purchase was made. A medical certificate (valid only from the valley's railroad doctors or from Zams Hospital) must be provided for each refund. If the deposit is made by 10:00 a.m., this day will not be charged. In the event of skiing accidents, the purchase price for ski passes valid for at least two days can be refunded pro rata for a processing fee of 12 euros (ski passes valid for up to 1 day are not refunded).

In the event of early departure, shutdown of the lifts due to events beyond the company's control such as storms, bad weather, natural disasters, etc., as well as shutdown of individual lifts, no refunds will be made.
