Theater „Sister-Act“ | Trisanna Hall See

The story of the nightclub singer „Deloris van Cartier“ sounds like a nightmare – after a performance, she accidentally witnesses a murder and has to disappear into the witness protection program. Instead of standing on glamorous stages, she ends up in a conservative convent, where she disguises herself as a nun. The strict Mother Superior is not pleased at all, and the other nuns are skeptical as well. But Deloris is not easily discouraged.
